

Groundwork Forum

Groundwork Forum Podcast aims to bring together leaders from all disciplines all over the world to join its Global Community to consider new perspectives on key issues; to create a powerful, global network in order to strengthen the influence throughout the world; to draw up innovative and concrete action plans to encourage contribution to society; and to promote diversity in the business world.

Send us an email if you'd like to join us, like to be interviewed or have an idea for an interview: inquiries@vistapglobal.com.
